9. [REDACTED] Talked to Bill Ashworth, Arms Control, International Law and Organization Subcommittee staff of Senate Foreign Relations Committee, who asked if it would be feasible from the Agency's point of view to schedule 23 May for Agency briefing on means of verification and Soviet and Chinese weapons advances. He said that it would be most helpful if the Agency briefing could be earlier than the week of the 28th to allow time for preparation of a needed Committee report after the hearings. Carl Duckett, DDS&T, has been advised.
